Grant awards from the Port Aransas Education Foundation to Port A ISD now total over

\$275,000!

Port Aransas community members, *YOU ARE AMAZING!* Thanks to your generous support, the Port Aransas Education Foundation has awarded grants to PAISD staff for a fifth year, this time to the tune of \$79,542! This is a record dollar amount awarded—thank you for making it possible!

On April 7, PAEF board members proudly addressed the staff and student body of the Port Aransas Independent School District and awarded 45 grants in the areas of technology, science, math, language arts, foreign language, fine arts, vocational training, employee development and more! PAISD teachers continue to inspire us!

In light of state-wide budget cuts to education, we are working harder than ever to raise money to fund enriching opportunities for PAISD's students. We hope we can count on your continued support! You may donate using the donation form attached herein or you may donate online at www.PAISDFoundation.org.
